Caorda Web Solutions Announces iPhone App for finding No Fee ATMs within THE EXCHANGE® Network

VICTORIA, British Columbia - September 29, 2010 - Caorda Web Solutions, one of Victoria's leading web design and development companies, is pleased to announce they have built a new iPhone app for THE EXCHANGE® Network of No Fee ATMs. This new application for Apple® mobile platforms enables customers to quickly find the most conveniently located ATM near them using their iPhone or iPad mobile device.

"We are delighted to once again work with Caorda to develop an iPhone application that will enable cardholders of the 225 financial institutions that belong to THE EXCHANGE® ATM network to find a conveniently located ATM anywhere in Canada." stated Linda Matheson, Network General Manager.

"As the country's only surcharge-free ATM network the added convenience for members of THE EXCHANGE® ATM network to be able to use their iPhones to find a surcharge-free ATM will be very beneficial and desirable. Caorda is the perfect partner to bring technology solutions such as this to market. They are very adept, quick to respond and provided invaluable guidance and support to ensure the best possible end result."

THE EXCHANGE Network ATM finder application is available for free download from iTunes or from www.caorda.com.

About Caorda Web Solutions

Headquartered in Victoria, British Columbia since 2003, Caorda is an innovative and experienced company providing creative web design, web marketing, software development, and web hosting solutions. Caorda enables business, government, and organizations to achieve their marketing goals by providing complete web solutions, which utilize a suite of tools including Caorda Content (CMS) and Caorda e-Commerce. As a Microsoft Certified Partner, Caorda delivers high quality products and services to a wide variety of clients throughout North America, including the Royal BC Museum, Central 1 Credit Union, Canadian Olympic Committee and the BC Lions Society. Caorda was selected as the 2010 VIATeC Online Strategy of the Year winner.
